

VASCULAR FLORA OF KAUKAPAKAPA SCIENTIFIC RESERVE (Provisional)P.J. Bellingham & E.K. Cameron

Compiled on Auckland Botanical Society expedition 21.9.85.

Fern Allies:

Lycopodium deuterodensum  
 L. varium (incl. L. billardieri)  
 Tmesipteris elongata  
 T. lanceolata  
 T. tannensis

Ferns:

Adiantum cunninghamii  
 A. fulvum s.s.  
 A. hispidulum  
 Anarthropteris lanceolata  
 Asplenium flaccidum subsp. flaccidum  
 A. gracillimum (V)  
 A. lamprophyllum  
 A. oblongifolium  
 A. polyodon  
 Blechnum discolor  
 B. filiforme  
 B. fraseri  
 B. membranaceum  
 B. sp. (B. capense agg., common lowland sp.)  
 Cardiomanes reniforme  
 Ctenopteris heterophylla  
 Cyathea dealbata  
 C. medullaris  
 Doodia media subsp. australis  
 Gleichenia dicarpa  
 G. microphylla  
 Grammitis ciliata  
 Hymenophyllum dilatatum  
 H. flabellatum  
 H. sanguinolentum  
 Lastreopsis glabella  
 L. hispida  
 L. microsora subsp. pentangularis  
 L. velutina  
 Lindsaea linearis  
 L. trichomanoides  
 Lygodium articulatum  
 Paesia scaberula  
 Pellaea rotundifolia (V)  
 Phymatosorus diversifolius  
 P. scandens  
 Pneumatopteris pennigera  
 Polystichum richardii  
 Pteridium esculentum  
 Pteris macilenta

*P. tremula*  
*Pyrrhosia serpens*  
*Schizaea bifida*  
*Trichomanes endlicherianum*

Gymnosperms:

*Agathis australis*  
*Dacrycarpus dacrydioides*  
*Dacrydium cupressinum*  
*Phyllocladus trichomanoides* (V)  
*Pinus radiata*\*  
*Podocarpus cunninghamii* (*P. hallii*)  
*P. totara*  
*Prumnopitys ferruginea*  
*P. taxifolia* (A)

Dicotyledons:

*Acaena anserinifolia* (A)  
*Alectryon excelsus*  
*Alseuosmia macrophylla*  
*A. x quercifolia* (V)  
*Anagallis arvensis*\*  
*Apium filiforme*  
*Avicennia marina*  
*Beilschmiedia tarairi*  
*B. tawa*  
*Berberis glaucocarpa*\* (V)  
*Brachyglottis repanda*  
*B. sp.* (*Senecio kirkii*)  
*Calystegia sepium*  
*Cardamine sp.* (*C. debilis* agg.)  
*Carmichaelia aligera*  
*Carpodetus serratus*  
*Centaurium erythraea*\*  
*Centella uniflora*  
*Chrysanthemum leucanthemum*\*  
*Cirsium vulgare*\*  
*Clematis cunninghamii*  
*C. paniculata*  
*Conyza floribunda*\* (V)  
*Coprosma arborea*  
*C. areolata*  
*C. grandifolia*  
*C. lucida*  
*C. propinqua* subsp. *propinqua*  
*C. rhamnoides*  
*C. robusta*  
*C. spathulata* subsp. *spathulata*  
*Corokia buddleioides*  
*Corynocarpus laevigatus*  
*Cyathodes juniperina*  
*Dichondra repens*  
*Dodonaea viscosa*  
*Drosera peltata* subsp. *auriculata*  
*Dysoxylum spectabile*

*Elaeocarpus dentatus*  
*Elatostema rugosum*  
*Epilobium rotundifolium*  
*Galium aparine* \*  
*Gaultheria antipoda*  
*Geniostoma rupestre* var. (*G. ligustrifolium*)  
*Gnaphalium gymnocephalum*  
*G. spicatum*\*  
*Gonocarpus incanus*  
*Griselinia lucida*  
*Haloragis erecta* var. *erecta*  
*Hakea salicifolia*\*  
*H. sericea*\*  
*Hebe stricta* var. *stricta*  
*Hedycarya arborea*  
*Hypochoeris radicata*\*  
*Knightia excelsa*  
*Kunzea ericoides*  
*Leontodon taraxacoides*\*  
*Leptospermum scoparium*  
*Leucopogon fasciculatus*  
*Lotus pedunculatus*\*  
*Macropiper excelsum* var. *excelsum*  
*Melicope simplex* (V)  
*Melicytus macrophyllus*  
*M. ramiflorus*  
*Metrosideros carminea* (V)  
*M. diffusa*  
*M. fulgens*  
*M. perforata*  
*Muehlenbeckia complexa*  
*Myrsine australis*  
*M. salicina*  
*Nertera dichondraefolia* s.s.  
*Nestegis lanceolata*  
*Olearia furfuracea*  
*O. rani*  
*O. solandri* (V)  
*Parsonsia sp.*  
*Passiflora tetrandra*  
*Phebalium nudum*  
*Pittosporum tenuifolium*  
*Plagianthus divaricatus* (V)  
*Plantago australis*\*  
*P. major*\*  
*Pomaderris kumeraho*  
*P. phyllocaefolia* var. *ericifolia*  
*Prunella vulgaris*\*  
*Pseudopanax arboreus*  
*P. crassifolius*  
*Ranunculus hirtus*  
*R. muricatus*\* (S)  
*R. repens*\*  
*R. sardous*\* (S)  
*Rhabdothamnus solandri*  
*Rubus australis*  
*R. cissoides*  
*Rumex obtusifolius*\*  
*Samolus repens*

Sarcocornia quinqueflora  
 Selliera radicans  
 Senecio hispidulus  
 Sison amomum\*  
 Sophora microphylla var.  
 Streblus sp. (Paratrophis  
 microphylla)  
 Toronia toru (V)  
 Trifolium repens\*  
 Ulex europaeus\*  
 Vitex lucens  
 Weinmannia silvicola var.  
 silvicola (V)

Monocotyledons:

Acianthus fornicatus var.  
 sinclairii  
 A. reniformis  
 Anthoxanthum odoratum\*  
 Aristea ecklonii\*  
 Astelia solandri  
 A. trinervia  
 Axonopus affinis\*  
 Baumea teretifolia  
 Bulbophyllum pygmaeum  
 Carex lambertiana (V)  
 C. lessoniana  
 C. testacea  
 C. virgata  
 Chiloglottis cornuta  
 CollospERMUM hastatum  
 Cordyline australis  
 C. banksii  
 C. pumilio  
 Corybas aconitiflorus (V)  
 C. oblongus  
 C. trilobus (V)  
 Cyperus ustulatus (S)  
 Dactylis glomerata\*  
 Dianella nigra  
 Eragrostis brownii\*  
 Festuca arundinacea\*  
 Freycinetia baueriana subsp. banksii  
 Gahnia lacera  
 G. pauciflora  
 G. setifolia  
 G. xanthocarpa

Holcus lanatus\*  
 Juncus effusus\*  
 J. maritimus (S)  
 J. pallidus (S)  
 Leptocarpus similis  
 Microlaena stipoides  
 Oplismenus imbecillis  
 Pennisetum clandestinum\*  
 Phormium ? cookianum  
 P. tenax  
 Poa anceps  
 Prasophyllum pumilum  
 Pterostylis alobula  
 P. banksii  
 P. graminea var. graminea  
 P. graminea var. rubricaulis  
 P. trullifolia  
 Rhopalostylis sapida  
 Ripogonum scandens  
 Rytidosperma biannulare  
 R. racemosum\*  
 Schoenus apogon  
 S. maschalinus  
 S. tendo  
 Scirpus reticularis (A)  
 Sporobolus africanus\*  
 Stipa stipoides  
 ?Tetraria capillaris  
 Thelymitra longifolia  
 Uncinis banksii  
 U. uncinata  
 U. zolovii  
 :

\* = Adventive species

(A) from adjacent private land - not  
 found in the reserve

(S) from Saltmarsh outside the reserve

(V) voucher at AKU
