

CHECKLIST TO THE PLANTS OF THE UPPER GREY RIVER CATCHMENT FORESTS, CANTERBURY

David A. Norton

This list covers all the vascular plants of the forested part of the upper Grey River catchment, Canterbury. Several of the species listed occur predominantly in grassland and riverbed areas within the forest or occur in the ecotones between forest and grassland. However, species confined to the grasslands on Mt Grey are not included, although detailed botanical exploration of this area is likely to yield some interesting finds.

The present list is complied from my notes together with records from earlier lists compiled by Brian Molloy and Graeme Jane. A number of interesting finds have been made (e.g. *Baumea tenax*, *Blechnum colensoi*, *Elaeocarpus dentatus*, and some *Hymenophyllum* species) and further finds are likely (especially *Weinmannia racemosa* which has been recorded from adjacent areas in Ashley State Forest). Adventive species are marked *.

Ferns and fern allies

Adiantum cunninghamii
Asplenium flabellifolium
Asplenium flaccidum
Asplenium gracillimum
Asplenium hookerianum
Asplenium lyallii
Asplenium richardii
Asplenium terrestre

Blechnum chambersii
Blechnum colensoi
Blechnum discolor
Blechnum fluviatile
Blechnum minus
Blechnum penna-marina
Blechnum procerum
Blechnum vulcanicum
Blechnum sp. ('black spot')

Ctenopteris heterophylla
Cyathea colensoi
Cyathea dealbata
Cyathea smithii

Dicksonia squarrosa

Grammitis billardierei
Grammitis magellanica subsp.
 nothofageti

Histiopteris incisa
Hymenophyllum bivalve
Hymenophyllum cypressiforme
Hymenophyllum flabellatum
Hymenophyllum multifidum
Hymenophyllum peltatum
Hymenophyllum sanguinolentum
Hymenophyllum scabrum
Hymenophyllum villosum
Hypolepis ambigua
Hypolepis millefolium
Hypolepis rufobarbata

Leptopteris hymenophylloides
Lycopodium fastigiatum
Lycopodium varium
Lycopodium volubile

Paesia scaberula
Pellaea rotundifolia

<i>Phymatosorus diversifolius</i>	<i>Coprosma rhamnoides</i>
<i>Pneumatopteris pennigera</i>	<i>Coprosma robusta</i>
<i>Polystichum richardii</i>	<i>Coprosma rotundifolia</i>
<i>Polystichum vestitum</i>	<i>Coprosma sp t (aff. C. parviflora)</i>
<i>Pteridium esculentum</i>	<i>Coriaria arborea</i>
Conifers	<i>Crepis capillaris*</i>
<i>Dacrycarpus dacrydioides</i>	<i>Cyathodes juniperina</i>
<i>Dacrydium cupressinum</i>	<i>Cytisus scoparius*</i>
<i>Podocarpus hallii</i>	<i>Discaria toumatou</i>
<i>Podocarpus nivalis</i>	<i>Dracophyllum longifolium</i>
<i>Podocarpus totara</i>	<i>Elaeocarpus dentatus</i>
<i>Prumnopitys ferruginea</i>	<i>Elaeocarpus hookerianus</i>
<i>Prumnopitys taxifolia</i>	<i>Fuchsia excorticata</i>
Dicotyledons	<i>Gaultheria antipoda</i>
<i>Acaena anserinifolia</i>	<i>Gaultheria depressa</i>
<i>Acaena caesiiglaucha</i>	<i>Gnaphalium audax</i>
<i>Anisotome aromatica</i>	<i>Gonocarpus aggregatus</i>
<i>Anisotome filifolia</i>	<i>Gonocarpus montanus</i>
<i>Aristotelia serrata</i>	<i>Griselinia littoralis</i>
<i>Brachycome radiacata</i>	<i>Haloragis erecta</i>
<i>Callitricha stagnalis</i>	<i>Hebe canterburiensis</i>
<i>Cardamine debilis</i>	<i>Hebe rupicola</i>
<i>Carmichaelia angustata</i>	<i>Hebe salicifolia</i>
<i>Carpodetus serratus</i>	<i>Hebe subalpina</i>
<i>Cassinia leptophylla</i>	<i>Hebe traversii</i>
<i>Celmisia graminifolia</i>	<i>Hieracium pilosella*</i>
<i>Celmisia spectabilis</i>	<i>Helichrysum aggregatum</i>
<i>Cerastium holosteoides*</i>	<i>Helichrysum bellidioides</i>
<i>Cirsium vulgare*</i>	<i>Helichrysum filicaule</i>
<i>Clematis marata</i>	<i>Hydrocotyle moschata</i>
<i>Clematis paniculata</i>	<i>Hymenanthera alpina</i>
<i>Colobanthus buchananii</i>	<i>Hypochoeris radicata*</i>
<i>Coprosma linariifolia</i>	<i>Korthalsella salicornioides</i>
<i>Coprosma lucida</i>	<i>Kunzea ericoides</i>
<i>Coprosma microcarpa</i>	<i>Lagenifera pumila</i>
<i>Coprosma propinqua</i>	<i>Lagenifera strangulata</i>
<i>Coprosma pseudocuneata</i>	<i>Leptospermum scoparium</i>
	<i>Leucopogon fasciculatus</i>
	<i>Leucopogon fraseri</i>

*Linum catharticum**
Lophomyrtus obcordata
*Lotus pedunculatus**

Melicope simplex
Melicytus ramiflorus
Metrosideros diffusa
Muehlenbeckia axillaris
*Mycelis muralis**
Myrsine australis
Myrsine divaricata

Neomyrtus pedunculata
Nertera depressa
Nertera dichondraefolia
Nothofagus fusca
Nothofagus solandri

Olearia arborescens
Olearia avicenniaeefolia
Olearia nummularifolia
Oreomyrrhis ramosa

Parahebe decora
Parsonsia heterophylla
Pittosporum divaricatum
Pittosporum eugeniooides
Pittosporum tenuifolium
*Prunella vulgaris**
Pseudopanax anomalus
Pseudopanax arboreus
Pseudopanax colensoi
Pseudopanax crassifolius
Pseudowintera colorata

Ranunculus hirtus
Raoulia glabra
Rubus australis
Rubus cissoides
*Rubus fruticosus**
*Rumex acetosella**

Schefflera digitata
Senecio bellidioides
Senecio minimus
Senecio quadridentatus

Sophora microphylla
Stellaria parviflora

*Trifolium repens**

*Ulex europaeus**
Urtica ferox

Wahlenbergia albomarginata
Wahlenbergia gracilis

Monocotyledons

Agropyron scabrum
*Agrostis tenuis**
*Aira caryophyllea**
*Anthoxanthum odoratum**
Arthropodium candidum
Astelia fragrans
Astelia nervosa

Baumea rubigenosa
Baumea tenax
Bulbinella angustiflora

Caladenia lyallii
Carex coriacea
Carex dissita
Carex solandri
Carex virgata
Chionochloa conspicua
Chionochloa macra
Chionochloa rubra
Cordyline australis
Cortaderia richardii
Corybas trilobus

*Dactylis glomerata**
Deyeuxia avenoides
Dianella nigra
Dichelachne crinita

*Festuca arundinacea**
Festuca novae-zelandiae

<i>Gahnia pauciflora</i>	<i>Ripogonum scandens</i>
<i>Holcus lanatus*</i>	<i>Rytidosperma setifolium</i>
<i>Juncus articulatus*</i>	<i>Scirpus reticularis</i>
<i>Juncus gregiflorus</i>	<i>Thelymitra longifolia</i>
<i>Libertia ixioides</i>	<i>Trisetum antarcticum</i> var. <i>tenellum</i>
<i>Luzula banksiana</i>	<i>Uncinia clavata</i>
<i>Luzula rufa</i>	<i>Uncinia fuscovaginata</i>
<i>Microlaena avenacea</i>	<i>Uncinia leptostachya</i>
<i>Phormium tenax</i>	<i>Uncinia rubra</i>
<i>Poa anceps</i>	<i>Uncinia rupestris</i>
	<i>Uncinia silvestris</i>
	<i>Uncinia uncinata</i>
