A small brochure "Some Notes on our Waitakeres" prepared by Mr. Mead and others, and containing an excellent sketch map of the Waitakere Reserves, is available from the secretary. This gives an admirable account of our reserves up to date, and should be of value to all members. Price 6d.

Catalogues of plants exhibited at the Cheeseman Show are available from the Secretary (Price 3d.). They give the scientific, popular and Maori names of over 300 of the native flowering plants and ferns.
