EXTRACTS FROM OTHER EARLY BULLETINS

Selections made by Barbara Polly and Carol West

As part of the celebration of the Wellington Botanical Society's jubilee year, the first issue of the Bulletin, June 1941, is reprinted here in full. Following it is a collection of excerpts from later issues, culminating in an article from Bulletin No. 32, entitled 'Looking Back over Twenty-One Years'.

Although the typescript used in these reprinted extracts differs from the original format of the Bulletin (e.g. the earliest bulletins were cyclostyled from typed stencils), the scripts are unchanged.

In a similar manner, minutes of the following four meetings of the Wellington Botanical Society are reproduced in full from the first minute book (18.7.39 to 20.4.53).

Inaugural meeting, 18 July 1939
