

CANTERBURY BOTANICAL SOCIETY

Aims of the Society

'To promote interest in the study of botany especially that of New Zealand and in particular the native flora of Canterbury'

Code of Conduct for the Conservation of Wild Plants

It is hoped that all members will adhere to this simple code:

- 1 Do not completely uproot whole plants, or remove large pieces of plants of uncommon species.
- 2 If you wish to cultivate native plants, start with seeds or cuttings only.
- 3 Do not light fires in the open.
- 4 Do not take domestic pets.
- 5 Do not carry firearms.
