

Recent Publications – List No. 24¹

A. P. Druce

A selection of recent books and bulletins about plants, vegetation, and conservation in New Zealand.

Conservation and Management of New Zealand's Indigenous Forests: A Selected Bibliography: 1848–1990. Auckland (1993).

Small-leaved Shrubs of New Zealand, by H Wilson and T Galloway. Manuka Press, Christchurch (1993).

Wellington's Living Cloak, by I Gabites. Wellington Botanical Society and Victoria University Press (1993).

Moawhango Ecological Region: survey report for the Protected Natural Areas Programme, by G M Rogers. *New Zealand Protected Natural Areas Programmes 27.* Department of Conservation, Wanganui (1993).

The Cultivation of New Zealand Plants, by L Metcalf. Godwit Press (1993).

Plants in the Landscape: an Informal Flora of the Horowhenua, edited by A Carpenter. Fiftieth Jubilee, Levin Native Flora Club, 1940-1990. Levin Native Flora Club (1993).

A Living New Zealand Forest, by R Brockie. David Bateman (1992).

Planting Native Trees, by J Millard. New Zealand Natural Heritage Foundation and New House Publishers (1992).

Which Native Tree: a Simple Guide to the Identification of New Zealand Native Trees, by A Crowe. Viking Pacific (1992).

Natural History of New Zealand, by N Bishop; artwork by C Gaskin. Hodder and Stoughton (1992).

New Zealand Native Plants, by B Treeby. The Open Polytechnic of New Zealand (1992).

Vegetation Change in Tussock Grasslands with Emphasis on Hawkweeds. New Zealand Ecological Society Occasional Publication No. 2 (1992).

The Living Forests of New Zealand. Text by J Cobb and others. Photographs by G Moon and J Cobb. David Bateman in association with New Zealand Native Forests Restoration Trust (1992).

¹ Previous lists (unnumbered) have appeared in Bulletin 22 onwards, with the exception of Bulletin 23. The total number of items listed is approximately 565, providing a more or less complete record of publication over the period 1950-1992. There were 60 items listed in the period 1950-1959, 95 in the period 1960-1969, 105 in the period 1970-1979, and 255 in the period 1980-1989 (numbers rounded to nearest 5).

Setting Priorities for the Conservation of New Zealand's Threatened Plants and Animals, by J Molloy and A Davis. Department of Conservation, Wellington (1992).

Wild Orchids in the Far South of New Zealand, by I St George. New Zealand Native Orchid Group (1992).

Adventive Flora of the Waitakere Range, by J Mackinder. Auckland Botanical Society Bulletin No. 21 (1992).

A Vegetative Key to New Zealand Genera of Trees and Shrubs Growing Naturally in Northern New Zealand, by J A Rattenbury. Auckland Botanical Society Bulletin No. 22 (1992).

An Illustrated Guide to Fungi on Wood in New Zealand, by I A Hood. Auckland University Press (1992).

The Mosses of New Zealand, by J Beever, K W Allison and J Child. Otago University Press (1992).

Tomorrow's Trees, by L Poole and J Johns. The Caxton Press in association with Carter Holt Harvey Ltd (1992).

The Sand Dune and Beach Vegetation Inventory of New Zealand. 1. North Island. DSIR Land Resources Scientific Report 15. DSIR Land Resources, Christchurch (1992).

The Sand Dune and Beach Vegetation Inventory of New Zealand. 2. South Island. DSIR Land Resources Scientific Report 16. DSIR Land Resources, Christchurch (1992).

Checklist of New Zealand Lichens, by D J Galloway. Edited by A J Fife. DSIR Land Resources Scientific Report 26. DSIR Land Resources, Christchurch (1992).

Succulent Plants on Rangitoto Island, by W R Sykes. DSIR Land Resources (1992). [Reprinted from Auckland Botanical Society Journal 47(1).]

Banks Ecological Region, by H D Wilson. Protected Natural Areas Programme Survey Report 21. Department of Conservation, Christchurch (1992).

Some Indigenous Plant Communities of the Wellington Southwest Peninsula, by Barbara J Mitcalfe and J Chris Horne. A paper for the Department of Conservation (1992).

Vegetation of New Zealand, by P Wardle. Cambridge University Press (1991).

Botany of Rotorua, compiled by B D Clarkson, M C Smale, and C E Ecroyd. Forest Research Institute (1991).

New Zealand Native Shrubs and Climbers, by J C Smith-Dodsworth. David Bateman (1991).

- Spore Atlas of New Zealand Ferns and Fern Allies*, by M F Large and J E Braggins. A Supplement to the New Zealand Journal of Botany. SIR Publishing (1991).
- New Zealand's Economic Native Plants*, by R C Cooper and R C Cambie. (Revised) Oxford University Press (1991).
- A Dictionary of Maori Plant Names*, by J Beever. Revised second ed. Auckland Botanical Society (1991).
- The Native Forests of New Zealand*, by J Halkett. GP Publications (1991).
- Soil Description Handbook*, by J D G Milne, B Clayden, P L Singleton, A D Wilson. DSIR Land Resources (1991). [Includes section on vegetation by I A E Atkinson and P M Blaschke.]
- Native New Zealand Flowering Plants*, by J T Salmon. Reed (1991).
- Turanga Ecological District*, by B R Clarkson, B D Clarkson. Protected Natural Areas Programme Survey Report 14. Department of Conservation, Gisborne (1991).
- Wild Flowers of New Zealand*, by O Bishop; photographs by N Bishop. Hodder and Stoughton (1990).
- Trees and Shrubs of New Zealand*, by A L Poole and N M Adams. Revised ed. (DSIR Field Guide). DSIR Publishing (1990).
- Flowering Plants of New Zealand*, by C Webb, P Johnson, and B Sykes. DSIR Botany (1990).
- Processes of Vegetation Change*, by C J Burrows. Unwin Hyman (1990).
- Ecological Restoration of New Zealand Islands*, edited by D R Towns, C H Daugherty and I A E Atkinson. Conservation Sciences Publication No. 2. Department of Conservation, Wellington (1990).
- Land Evaluation for Nature Conservation: a Scientific Review Compiled for Application in New Zealand*, by K F O'Connor, F B Overmars and M M Ralston. Conservation Sciences Publication No. 3. Department of Conservation, Wellington (1990).
- The Nature of Hidden Worlds*, by M E White. Reed (1990).
- The Genus Hebe: a Botanical Report*, by L N Kristensen. Danish Research Service for Plant and Soil Science Report No. S2034 (1990).
- Weeds in New Zealand Protected Natural Areas: a Review for the Department of Conservation*, by P A Williams and S M Timmins. Science and Research Series No. 14. Department of Conservation, Wellington (1990).
- Native Edible Plants of New Zealand*, by A Crowe. New ed. Hodder and Stoughton (1990).

Vascular Flora of Lake Wairarapa and its Adjacent Wetlands, by C Ogle, T Moss and T Druce. Science and Research Series No. 20. Department of Conservation, Wellington (1990).

Plants of Whangamarino Peat Bogs: a Field Guide, by C Jones and P Champion. Waikato Botanical Society (1990).

Seasons in the Forest: a New Zealand Photographer's Year, by B Enting; text by J Dawson. Random Century (1990).

A Field Guide to New Zealand's Lakes and Rivers, by B Parkinson and G Cox. Random Century (1990).

Annotated List of Vascular Plants in the Rotorua Lakes Ecological District, by C E Ecroyd, B D Clarkson and M Wilcox. Special Issue No. 1. Rotorua Botanical Society (1990).

Somes Island: Matiu. Lower Hutt branch of the Royal Forest and Bird Protection Society (1990).

Moa's Ark: the Voyage of New Zealand, by D Bellamy and B Springett with P Hayden. Viking (1990).

The New Zealand Orchids: Natural History and Cultivation, edited by I St George and D McRae. New Zealand Native Orchid Group (1990).

Mathias and Mt Hutt Ecological Districts, by J Arand and D Glenny. Protected Natural Areas Programme Survey Report 12. Department of Conservation, Wellington (1990).

Coromandel Ecological Region, by E A Humphreys and A M Tyler. Protected Natural Areas Programme Survey Report 13. Department of Conservation, Hamilton (1990).

Coleridge, Craigieburn and Cass Ecological Districts, by A Shanks, D Glenny, R Gibson, K Rosser, D Roozen, S Phillipson, J Steven, J Arand. Protected Natural Areas Programme Survey Report 10. Department of Conservation, Wellington (1990).

Management of New Zealand's Natural Estate, edited by D A Norton. Proceedings of a Symposium of the New Zealand Ecological Society held at the University of Otago, Dunedin, 22-25 August 1988. New Zealand Ecological Society Occasional Publication No. 1 (1989).

Time, Change, and the Vegetation of New Zealand. A symposium in honour of the retirement of Dr N T Moar, held at Lincoln, 24-26 November 1987. Collected papers from the Journal of the Royal Society of New Zealand, Number 5 (1989).

Photographing Nature: New Zealand Perspective, by P C Harper. The Caxton Press (1989).

- Between the Tides: New Zealand Shore and Estuary Life*, by M Bradstock. Revised ed. David Bateman (1989).
- Poisonous Plants of New Zealand*, by J Stewart. Revised ed. (1989).
- A Guide to the Rimutaka Forest Park*, by B Sewell. GP Books (1989).
- An Appreciation of New Zealand's Native Orchids on the Central Volcanic Plateau*, by M Gibbs. Taupo Orchid Society (1989).
- Australian and New Zealand Islands: Nature Conservation Values and Management*, edited by A Burbidge. (Proceedings of a technical workshop, Barrow Island, Western Australia, 1985). Occasional Paper 2/89. Department of Conservation and Land Management, Western Australia.
- Nokomai Ecological District*, by K J M Dickinson. Protected Natural Areas Programme Survey Report 9. Department of Conservation, Wellington (1989).
- New Zealand Water Plants: a Guide to Plants Found in New Zealand Freshwaters*, by B T Coffey and J S Clayton. Ruakura Agricultural Centre, MAFTech North (1988).
- A Guide to Delaware Inlet*, by G Franko; illustrations by V Ward. DSIR Publishing (1988).
- Vegetation Map of the Intertidal Zone, Delaware Inlet, South Island, New Zealand*, by G Franko. DSIR Publishing (1988).
- Umbrella Ecological District*, by K J M Dickinson. Protected Natural Areas Programme Survey Report 7. Department of Conservation, Wellington (1988).
- Pukeamaru Ecological District*, by C E Regnier, S P Courtney, M I Wiessing. Protected Natural Areas Programme Survey Report 8. Department of Conservation, Wellington (1988).
- The Cultivation of New Zealand Trees and Shrubs*, by L J Metcalf. Revised ed. Reed (1987).
- Nature Conservation: the Role of Remnants of Native Vegetation*, edited by D A Saunders, G W Arnold, A A Burbidge and A J M Hopkins. Surrey Beaty and Sons, New South Wales (1987). [Includes papers on New Zealand vegetation by C C Ogle, and S M Timmins and P A Williams.]
- Motu Ecological District*, by B D Clarkson, L J Daniel, F B Overmars, S P Courtney. Protected Natural Areas Programme Survey Report 6. Department of Conservation, Wellington (1986).
- Heron Ecological Region: Arrowsmith, Hakatere and Two Thumb Ecological Districts*, by W M A Harrington, P J Cooper, C M Davis, T D Higham, C R Mason. Protected Natural Areas Programme Survey Report 4. Department of Conservation, Wellington (1986).
- Kapiti Island Vegetation: Report on a Vegetation Survey of Kapiti Island, by S A Fuller. Department of Lands and Survey, Wellington (1985).
