

# Wellington Botanical Society visit to Milford Fjord, January 2011

*Barbara J. Mitcalfe<sup>1</sup>*

FJORD  
Pale  
mist wraiths  
wrap dark walls,  
embrace sheer verticality  
like whispered words of love,  
while by grace of Tāwhirimatea,  
waters eternal, fall, and fall, and fall.

Photo: Kaaren Mitcalfe.
