

Species list for Lister and Library Reserves at the tip of Portobello Peninsula

Compiled by G Kyle, with the help of K Dickinson, B Wilson, R Bridges and A Knight, April 2001

<i>Acaena novae-zelandiae</i>	bidibid	<i>Metrosideros diffusa</i>	rata
<i>Acaena anserinifolia</i>	bidibid	<i>Microsorium pustulatum</i>	hound's tongue
<i>Agrostis capillaris</i>	browntop	<i>Muehlenbeckia australis</i>	* muehlenbeckia
<i>Aira</i> sp	hair grass	<i>Myoporum laetum</i>	* ngaio
<i>Apium prostratum</i>	NZ celery	<i>Myrsine australis</i>	mapou
<i>Asplenium obtusatum</i>	shore spleenwort	<i>Olearia avicenniifolia</i>	(endemic)
<i>Blechnum fluviatile</i>	creek fern	<i>Olearia colensoi</i>	(endemic)
<i>Blechnum procerum</i>	small kiokio	<i>Parmelia</i> spp	lichen
<i>Blechnum</i> spp		<i>Parsonsia heterophylla</i>	* native jasmine
<i>Calystegia</i> sp	bindweed	<i>Phormium tenax</i>	flax
<i>Cardamine</i> sp	(cress sp)	<i>Pinus radiata</i>	* radiata pine
<i>Cerastium fontanum</i>	mouse-ear chickweed	<i>Pittosporum tenuifolium</i>	kohuhu
<i>Cirsium arvense</i>	Californian thistle	<i>Poa cita</i>	silver tussock
<i>Cirsium vulgare</i>	spear thistle	<i>Podocarpus hallii</i>	* Hall's totara
<i>Clematis paniculata</i>	native clematis	<i>Polystichum richardii</i>	shore shield fern
<i>Coprosma areolata</i>	* (endemic)	<i>Pseudopanax crassifolius</i>	lancewood
<i>Coprosma crassifolia</i>	* (endemic)	<i>Pseudowintera colorata</i>	pepper tree
<i>Coprosma propinqua</i>	* (endemic)	<i>Pteridium esculentum</i>	bracken
<i>Cordyline australis</i>	* cabbage tree	<i>Ranunculus repens</i>	creeping buttercup
<i>Corokia cotoneaster</i>	* korokio	<i>Ripogonum scandens</i>	supplejack
<i>Crataegus monogyna</i>	hawthorn	<i>Rosa rubiginosa</i>	sweet brier
<i>Crepis capillaris</i>	hawksbeard	<i>Senecio jacobaea</i>	ragwort
<i>Cytisus scoparius</i>	broom	<i>Senecio minimus</i>	
<i>Dactylis glomerata</i>	cocksfoot	<i>Solanum nigrum</i>	black nightshade
<i>Dichelachne crinita</i>	plume grass	<i>Solanum</i> sp	
<i>Dracophyllum longifolium</i>	* inaka	<i>Sonchus oleraceus</i>	sow thistle
<i>Elymus</i> spp (<i>solandri</i>)	(grass sp)	<i>Sophora microphylla</i>	* southern kowhai
<i>Euphorbia peplus</i>	spurge	<i>Sterocaulom ramulosum</i>	lichen
<i>Festuca rubra</i>	red fescue	<i>Streblus heterophyllus</i>	milk tree
<i>Geranium sessiliflorum</i>	(endemic)	<i>Taraxacum officinale</i>	dandelion
<i>Griselinia littoralis</i>	* broadleaf	<i>Teloschistes</i>	(lichen)
		<i>chrysophthalmus</i>	
<i>Helichrysum lanceolatum</i>	* (endemic)	<i>Tetragonia trigyna</i>	(succulent)
<i>Holcus lanatus</i>	Yorkshire fog	<i>Trifolium repens</i>	white clover
<i>Ileostylis micranthus</i>	* endemic mistletoe	<i>Ulex europaeus</i>	gorse
<i>Kunzea ericoides</i>	kanuka	<i>Urtica ferox</i>	* tree nettle
<i>Lagenifera strangulata</i>	(endemic)	<i>Vicia</i> sp	(vetch)
<i>Leontodon autumnalis</i>	autumn hawkbit	<i>Xanthoria parietina</i>	(lichen)
<i>Leptospermum scoparium</i>	manuka		
<i>Lolium perenne</i>	perennial ryegrass	Other species noted in 1982 only	
<i>Lophomyrtus obcordata</i>	* (endemic)	<i>Hebe elliptica</i>	hebe
<i>Marrubium vulgare</i>	horehound	<i>Korthalsella lindsayi</i>	dwarf mistletoe
<i>Melicope simplex</i>	* (endemic)	<i>Sambucus nigra</i>	elder
<i>Melicytus ramiflorus</i>	* mahoe, whitey wood		

* also noted in 1982
